HIGHER EDUCATION

to the committee by the Department of Education and a public school inspector will also be a member.

W. L. Patterson, chairman of the Lincoln Education Committee, W. E. Heaslip, Reeve of Gainsboro and Cecil Secord, Reeve of Grantham were appointed by the council to the committee with Warden Johnston appointed as an ex-officio member.

Council also approved a recommendation in the report by Mr. Patterson to make a grant of \$100 to the Lincoln County Music Festival for 1946. At the opening of the session bylaw was passed by council providing for the grant of \$500 to the War Amputations of Canada, Hamilton branch, as recommended by the Patriotic Committee. Council then adjourned to deal with finance committee business.

RAISE THEIR OWN
of the amount of remuneration of members of council and members of committees between fees and expenses and the amount of mileage paid to council and committees.

Approving the recommendation of the Agriculture Committee under the chairmanship of Deputy-reeve J. D. Taylor of Louth, council appointed Mr. Norman Bilyard to the post of weed inspector for the county at a salary of \$180 a year plus expenses of \$120, subject to the approval of the Provincial Department of Agriculture. Mr. Bilyard was also instructed to attend the conference of weed inspectors at the expense of the county.

Acting on the only recommendation presented by Deputy-reeve Harold S. Frere, chairman of the Charity and Welfare Committee, council requested the Maplehurst Hospital in Thorold to submit accounts monthly for the maintenance of county patients. Warden Robert M. Johnston of Port Dalhousie then adjourned the council until Tuesday, June 18.

THAT WIG-WAG

The Department recommended that council supply a county-owned car or pay mileage and added that the Department would subsidize either

**REAL
ESTATE**

For the second time within a year the brick block on Main street west, known as the Stephen's block and later as the Thomas block, has changed hands. Through the agency of C. J. Delaplante, Theo Thomas has disposed of this property to Ralph B. Tomlin, of St. Catharines. Mr. Tomlin has also purchased the Thomas house and lot at 23 Elm street. Mr. and Mrs. Thomas will move to Brantford to reside, where he has purchased a photograph studio and Mr. and Mrs. Tomlin will move from St. Catharines to Grimsby.

Harry Cox, through the Delaplante agency, has sold the house and lot at the corner of Livingston and Kidd avenues, to John Korken.

of these two moves. The question is to be studied by Mr. Durham's committee.

Acting on the recommendation of the Patriotic Committee under the chairmanship of Deputy-reeve A. J. Wilson of Merriton, the council confirmed a grant of \$500 to the War Amputations of Canada, Hamilton Branch.

A request for a grant to the War Memorial Fund of the I.O.D.E. was deferred for further consideration.

Following a recommendation made in his opening address to the council by Warden Robert M. Johnston of Port Dalhousie, council decided to hold a cheque for \$600 presented to them by the Lincoln County Citizens' Committee until July 1st.

Speaking of the committee, Warden Johnston termed it, "one of the greatest assets we have today for veterans' affairs." The cheque was forwarded by the committee to reduce the county's contribution to the work of the committee to the same ratio as that of the City of St. Catharines since the city had reduced its financial support from the \$5,600 requested to \$4,400. Warden Johnston requested council to hold the cheque in the hope that the city and the Citizens' Committee would reach some agreement.

LEGION PREXY
bayonets, but equipped and trained to compete in Olympic sporting events."

"This Sports Day is nothing new for this community, but rather a revival of the custom of former years. We have placed on display a number of trophies won by teams and individuals in days gone by, which witness the interest in sporting events of former years."

"I wish to express appreciation to all who have assisted in making this day a success. The burden of the arrangements fell on the shoulders of George Warner and his committee. They deserve the thanks of the community for their efforts. Our branch of the Canadian Legion is particularly grateful to George Warner for his energy and effort.

"We have enjoyed the co-operation of Mayor Henry Bull and his council—The Dept. of Highways and Police Force—Mr. P. V. Smith and Don Aude of the High School—The Board of Education—The Lions Club—The Grimsby Independent and Hamilton Spectator—The Niagara Packer for the use of the Arena—The recently formed Ladies Auxiliary of which we are proud—Mr. Campbell of Niagara Falls who acted as official starter—The Merchants and Business Firms who donated the splendid display of prizes—and finally the contestants themselves."

"All gave their best, no one can do more. We congratulate alike those who won prizes and those who tried. This is our first attempt at anything of this nature and we hope to benefit from our experience and invite you all to compete again next year."

MORE THAN A NEWSPAPER

A COMMUNITY SERVICE

VOL LX-No. 48

NEWSPRINT

In these days of scarcities—building materials, hardware, coal, automobiles and a million other articles.—The Independent is like all other business firms, up against it.

Newsprint is not our only worry. All classes and types of paper are as scarce as feathers on a billiard ball. To add insult to injury, price on all lines of paper used in job printing advanced the first of April from 7 to 20 per cent, according to the type and grade of stock. The price raise would not have been so bad, if we were able to secure the stock, to satisfy our multitude of customers. But we are not.

In common with all print shops in the country we are buying here, there and everywhere. Taking what we can get whether it is what we want or what our customers want. It is simply a case of grab what you can get and be satisfied, and in spite of that we are still away below supply.

Newsprint has been, and is, our biggest worry, for if Lincoln's Leading Weekly ceases to publish, even for a couple of weeks—then what is going to become of the Fruit Belt.

With our issue of last week—May 30th—we used up every sheet of paper that we owned, on our tonnage contracts. This issue is being published on newsprint that we were able to snatch, along with another weeks supply, that was oversize, cost us a lot of extra money and had to be cut down, another expense to our size. If our long overdue tonnage does not arrive between the 13th issue and the 20th, there just will not be an issue of The Independent on the 20th.

Just where the newsprint supply is going God Himself Only Knows. The wholesalers are not getting it, otherwise we and our contemporaries would be getting it. We are two months over tonnage delivery now. If anybody can tell us truthfully where it is going, or what is becoming of it, we would be tickled to death to know about it; so would our wholesale houses.

There is a little pickaninny in the pulpwood piles some place. We would certainly like to entice him out with a piece of watermelon, somehow.

Speaking of watermelon, newsprint manufacturers must be getting some. Since the close of 1943, newsprint costs to The Independent have raised three times. There was a four dollar a ton jump in 1944. Another four dollar a ton raise in 1945 and as of the first of April this year a \$12 a ton raise. That makes a total of \$20 a ton since the first of January 1944. At that time, and up until December 31st, 1945, we were guaranteed our quota, and with a developing paper like The Independent, the quota increased, upon the production of evidence to the paper Controller.

Now the Paper Controller is off the job. Try and get your quota, or anywhere near it. In fact try and get anything. That was the only bad move that Donald Gordon ever made, when he took John Atkins off the job as Paper Controller and let every thing run high, wide and handsome.

We have no Heavenly Dreams that if John Atkins had remained upon the job that price raise, or raises in newsprint would not have occurred. Labor costs to begin with have caused most of those price raises; and will continue to do so. Newsprint that cost us \$75.00, laid down in our office, sales tax included, in 1943, now costs us \$97.20 a ton. John Atkins could not have controlled those price raises, but he could have controlled the supply the same as he did when he was on the job.

The Independent management has not decided yet just what it is going to do with regard to a raise in subscription price. City dailies are raising their subscription price. Out of 41 dailies in the province of Ontario, there are only 12 left that have not raised the price of their paper.

A great percentage of the weeklies throughout the province are considering a raise in their subscription rate. Not only on account of the newsprint raise but on account of labor increases and the increase in price of a multitude of other materials used by a weekly newspaper office. Grimsby Hydro and Water rates are the only things that have not gone up. They have gone down.

Dunnville Chronicle, one of the best weeklies in the Dominion of Canada, for the past three weeks has been notifying its readers that on and after June 1st all subscribers NOT paid in advance would be struck from the mailing lists. They could not do otherwise. Costs today are too heavy to carry delinquent subscribers on a mailing list.

As stated above, The Independent has not yet decided what line of action it will take to meet this flood of rising costs and scarcity. So far as the subscriber is concerned we are going to let the situation ride until September before we take any action. In the meantime we are going to fight the Good Battle and go out and beg, borrow and if necessary steal print paper to keep our customers supplied.

DONALD GORDON, we hope you read this.

Congratulations

On Tuesday of this week—June 4th—Mayor Henry and Mrs. Bull celebrated, very quietly, their 40th wedding anniversary.

Major Bull had been in Canada—in Grimsby—for a year previous and returned to England to be joined in the Holy Bonds of Wedlock with his school day sweetheart. That union has produced three very fine young Canadians—all boys.

On June 18th, 1906, Mrs. Bull first glimpsed Grimsby. She immediately fell in love with the then Village and has been deeply in love with it ever since.

Large Attendance At Convention

Lincoln County W.C.T.U. Assembles In Grimsby For 31st Annual — Great Financial Gain Has Been Made.

The Woman's Temperance Union of Lincoln County held its 31st Annual Convention in Grimsby on Thursday last, and proved to be one of the finest conventions ever held. The Morning devotions were taken by Mrs. W. J. McMillan and Mrs. J. Cockburn. The convention opened with the Convention Hymn, "The Fight is On," and the National Anthem.

The address of welcome was given by Mrs. S. Murphy of Grimsby and the reply by Mrs. C. B. Haynes of Jordan. Mrs. S. H. Culp, secretary, reported the minutes of the last meeting. Miss A. Gry, treasurer, reported great financial gain. \$604.49 was raised for an obligation, while each union made a gain in giving.

Mrs. E. Astle reported an increase in membership, which is now 115. The Evangelistic Superintendent, Mrs. W. P. McMillan, reported that all unions have decorations and that we find it a very important part of our meetings. Mrs. H. Moyer, flower mission Superintendent reported many calls made to sick and shut-ins. Mrs. J. G. Brown, Superintendent of Mother's meetings gave a splendid report.

Mrs. C. B. Haynes reported for Lord's Day Observance, Law and legislation. Scientific Temperance in Day Schools, Mrs. M. Hetherington reported an increase in children taking part in the essay and poster work. The reports of Mrs. F. D. Aikens for Canadianization and Citizenship and non-alcoholic fruit products received a rousing ovation for her splendid report.

Mrs. H. Mason, Superintendent for Temperance in Sunday School, reported 88 children taking part in the contests. Mrs. A. Kiddell reported for the press.

New Prexy

Major Vance R. Farrell, recently returned from five years' service overseas, who was elected by acclamation to the Presidency of Grimsby Lions Club on Tuesday evening for the incoming season of 1946-47. Dr. Farrell was Reeve of Grimsby at the time of his enlistment and resigned that office to don His Majesty's uniform.

A Visitor From Far Away India

Miss Priyabala Mongatral of Lahore, India, visited the Farm Service Force Camp at Vineland on Wednesday, May 29th. Guests from the local community as well as Government and Y.W.C.A. Supervisors listened with interest to Miss Mongatral's story of conditions in India. She spoke particularly about the desperate food shortage, and the efforts at present being made to alleviate this condition.

As a Faculty Member of the Kinnaird College and Board Member of the Lahore Y.W.C.A., Miss Mongatral is very aware of the interests of the young women of her country. She delighted the campers and guests with a demonstration of how the native sari is worn and in her description of the new professions into which native women are venturing as a result of their war-time experiences.

Miss Mongatral has been in the United States for the past two years studying in Boston and Springfield, Ohio, and expects to return to India in July. She was charmed with the beauty of the Niagara Peninsula, and especially with her visit to Niagara Falls.

Charlie Delaplante, local supplier of building materials, reports that a large number of returned servicemen are taking advantage of the pre-fabricated house now being placed on the market by Halliday of Hamilton, in order to secure a home before the snow flies.

Already the Delaplante agency has disposed of several of these new type homes to veterans in this district and it is expected that a large number of other vets will take advantage of this chance to secure good living accommodations.

A sample of one of these homes can be seen on Maple Avenue, below the Queen Elizabeth Way, which is now being erected by Frank York.

Old Vets Will Hold Reunion

During the past two months veterans of the 98th Battalion C.E.F. have been planning to hold a reunion and arrangements are now beginning to take shape. The date chosen is Sunday, July 7th. It will be held in Queen Victoria Park, Niagara Falls and take the form of a basket picnic.

It is the unanimous opinion of the veterans that the Regimental colours should be deposited in some church and to do this it is planned to hold the ceremony prior to the reunion. The church selected is St. Andrew's United Church, Niagara Falls.

A committee representing the whole battalion will meet at the Welland Club, in Welland on Monday, June 10th, to start work on the details of mobilizing surviving veterans and making arrangements for the parade and ceremonies.

St. Catharines Standard has raised its price to four cents a copy.

Returns Home

"Bill" Romak who returned home from overseas this week on the hospital ship Lady Nelson.

FRUIT BY AIR

When The Independent, lacking the support of a Chamber of Commerce, fought and battled for six weeks with the "men in the know" of the Canadian Broadcasting Corporation, to bring Andy Clarke back to his own home town on Blossom Sunday, to give his famous Neighbourly News Broadcast, little did we know the repercussions.

Plenty of letters have been received by Reid Forsee, the Chief of Talks Production of the C.B.C. over this broadcast. By "Old Andy Himself." By this paper, which we published, some we could not, too personal nature.

On His Broadcast "nibsey" said certain things about the Grimsby Fruit Belt, from Winona to Beamsville, both inclusive. Figures that city dailies wished to have, but owing to the nature in which they were procured, absolutely legitimate, The Independent refused to let them have. Reason. No other section of the peninsula can start and build up their district on Grimsby figures.

That Andy's Old Home Town Broadcast was a knock-out all across two provinces is exemplified here again by a letter that was sent to Andy and he forwarded it on to us for explanation.

This letter is from one of the best fruit farming concerns in Canada. The letter is from C. HOWARD FISHER and SONS, DULVERTON FRUIT FARM, Queenston, Ontario. It speaks for itself.

On May 6th we wrote you in error sent it care of CFRB. When we discovered this mistake, we naturally assumed they would forward it to you, but since we have had no reply we are taking the liberty of copying it herewith, and am enclosing a stamped addressed envelope for a reply, hoping that will not be too much trouble for you.

"I would appreciate it very much if I could get a copy of your broadcast from Grimsby yesterday, May 5th."

I am anxious to get the dates that the peaches were shipped to England on the R.101. Was this the first and only shipment of peaches that went by Airship to England, and who gave you this information.

Thanking you in advance for this information, I am, etc.

We always listen to your broadcast every Sunday morning, and thoroughly enjoy it, especially your "tall stories" of fishing, like the ones you told yesterday.

Awaiting your reply, we much interest, I am

Sincerely yours,

C. Howard Fisher

The Independent in conjunction with Earl J. Marsh and the Niagara Packers Limited, is very pleased to answer the above letter. We give you copies of articles that appeared in newspapers of 1930, that carry the story of Fruit By Air.

In this connection the editor of this paper may be crazy, but at the same time he expects to be able to stand on two legs and witness the loading of a great trans-Atlantic plane with Grimsby peaches for London, Moscow and Delhi, India. It can be done.

MAIL AND EMPIRE—August 12th, 1930

Peaches for R-100—First Air Shipment

Premier Ferguson Sends Consignment to Officer of Dirigible

Grimsby, Aug. 11—First Canadian product to be shipped to England by air, a case of Niagara Peninsula peaches, was sent to Montreal to-night to be put aboard the R-100.

The fruit is the gift of Premier G. Howard Ferguson to Sir Denniston Burney, designer of the dirigible, and was consigned to St. Hubert airdrome addressed to the aerial adventurer. Premier Ferguson ordered a case of high quality Yellow Alexandras this afternoon from the Niagara Packers Limited.

Shippers declare that the fruit will arrive in England in first-class condition. The shipment, comprising 24 dozen, was packed in wood, wool and wax paper.

Toronto Globe—August 12th, 1930

When the R-100 sails for England she will carry the first Niagara peaches peaches to cross the ocean by airship. Yesterday, on instructions from Hon. G. Howard Ferguson, Premier of Ontario, Niagara Packers, Ltd., of Grimsby, picked and packed two crates of choice peaches, one case each of Alexandras and yellow swans. Each peach is wrapped in waxed paper, and they are packed twelve to a carton. Twelve cartons are packed in a crate, making a total of 24 dozen peaches. The shipment was consigned to Sir Denniston Burney, c/o R-100, St. Hubert, Que., and is marked "With the compliments of Hon. G. Howard Ferguson." The shipment left Grimsby via Canadian National Express last night and will arrive at St. Hubert to-day. By the time it reaches England the fruit will be in prime condition for eating.

GRIMSBY

DIRECTORY

1946

The 1946 edition of the Grimsby Town Directory, issued by The Independent, is off the press and has been delivered to the householders of the town.

This year this valuable little booklet is larger in every way than any other issue that has been produced. It has 36 pages and four page cover; it has the largest listing of names, both alphabetical and with street address, which proves that Grimsby is growing despite the housing shortage; it carries the largest amount of advertising to yet appear within its pages; it carries a large map showing the location of the various streets in the town; it has the largest circulation that it has ever had, 1,000 copies being distributed free of charge to the merchants, manufacturers and householders of

"THE BIGGEST LITTLE TOWN IN THE WORLD."

If you have not received your copy of The Directory, by carrier boy, please let us know. We thank you.

FACTS & FANCIES

Frank Fairborn, Jr.

ANALYSING THE G. M. STRIKE

Strike called on November 21st, 1945.

Strike settled on March 18th, 1946.

Total days on strike—113 (16.1 weeks).

Number of employees on strike—175,000.

United Automobile workers demanded 30% increase or 19½¢ hourly.

General Motors offered workers 12% increase, or 18½¢ hourly.

Strike was eventually settled for 18½¢ hourly increase.

The General Motors offer of 12% increase would have meant a 18½¢ hourly increase, which would work out to an average weekly earning of \$63.44 for a 45-6 week to each worker.

The workers gained 5¢ per hour in the eventual settlement of the strike (G.M. offered 18½¢—the union wanted 19½¢).

Average weekly earning under the increased wages will be \$65.72 in contrast to the \$63.44 offered by G.M.

Remember . . . the Union finally did obtain within 1¢ per hour of the increase they wanted—after 113 days of enforced idleness.

Actually . . . by eventually winning the five cents per hour increase over what the company offered, the workers each lost 16.1 weeks of employment with a resulting wage loss of \$1,021.38 in wages to each person.

On the Basis . . . of the five cents per hour that the Union held out for, and eventually obtained, it will take each worker 8.6 years of steady employment to make up the incurred loss of \$1,021.38!

Besides this loss to the workers themselves, the merchants in Detroit tell of heavy cancellations of orders for new frigids . . . radios . . . washers . . . vacuum cleaners . . . family automobiles . . . and the many other household appliances that most workingmen pride themselves on being able to obtain for their wives.

The indirect cost of workers not actually on strike, but who lost their jobs because of the strike cutting deeply into production of other goods, is grimly reflected in the big number of workers who were forced to fall back on their personal savings and to go on to Unemployment Insurance benefits. Investment houses report that great numbers of Victory Bonds were cashed during the 113 days of the strike.

In terms of buying power, and even after making allowances for taxation, \$1,021.38 is the price of a serviceable car; it is the price of an electric refrigerator plus an all-wave radio and complete new clothing outfit for a family of four; it is the premium on \$7,000.00 worth of life insurance for a five year period plus normal donations to charity for the same length of time; it is the cost of a fully equipped power-tool basement workshop; or, it is the down-payment on a good, small home.

If . . . the wage concessions ultimately won by General Motors employees put up the price of the automobiles produced by G.M. and so contributed to an inflationary trend in the prices of all things they must buy, then they lost part of their apparent gains as compared with taking the company's offer that did not involve car price increases. Perhaps they lost most of their gains, for high prices have kept pace with high wages in the United States. History shows sadly and conclusively that in this kind of a race between wages and prices, labour can't win.

This is no argument for labour to accept the offers of industry, whatever the offers may be. It is intended, however, as a reminder that in the strategy of Labour Union generalship the cost of winning an objective should be worth the heavy sacrifice, and that even an apparent victory can be a loss when the complete costs are taken into account.

ANIMADVERSIONS

A week or two ago in this column I made some animadversions, (look up that word in the dictionary for yourselves), that is, I made some remarks on the mistakes of lawyers, doctors, ministers, editors, and other people in high places; but I reserved for later time the many pretty blunders of the poets and novelists, and other writers of books. Here now are some of these for you to check up as you sit beside your own bookshelves. There are plenty of them.

The English poet Cowper, and don't let any one tell you to sound his name "Coo," tells the merry story of John Gilpin on the back of his runaway horse doing his best to get to a town north east of London called Edmonton, but he says that in his lively gallop the nag went dashing through "merry Islington," which place lies on a different road altogether. Make the same trip yourself, and see where you would land.

Robert Browning has a poem about the Jews in Rome being obliged to listen to a Christian sermon on Holy Cross Day, which day is described as "Blessedest Thursday, the fat of the week." But Holy Cross Day is the 14th of September, and will only fall on a Thursday after all the other days of the week have had a turn. Longfellow gives the title Holy Thursday to the Thursday of the week before Easter, but all the good people who belong to St. Andrew's Church, in Grimsby, know that Holy Thursday is Ascension Day, thirty nine days after Easter Sunday, this year on the 30th of this month.

Sir Walter Scott wrote his novels very quickly and made many lovely mistakes. Twice over he makes the full moon rise in the western sky, a thing which full moons have never done, and will never do till moons shall wax and wane no more. In one of his books he fills half a page with a description of a sun-set, but he takes the liberty of placing this grand spectacle in the eastern end of the heavens. We have always seen the good old sun finishing its day's work in the west. What about it, Sir Walter?

A good townsman of Grimsby, who sells good boots and shoes, was born at Cambelltown on the west side of the Firth of Clyde. Robert Burns was born on the east side, some time earlier. But Sir Walter Scott reverses the two. Look it up and see for yourself. He also puts a black suit of armour on King Richard the First, with no crest or mark of any kind; but a few pages farther on, a person at a distance sees and describes minutely an ornamental coat of arms on this same warrior's Iron jacket.

But the sweetest of all the confusions into which the great Scottish novelist fell is the story of the Saxon nobleman whose funeral was being held with much ado in his own castle. The corpse was lying on a slab in a room, with candles and with nuns saying prayers; when into a room near by arrives the nobleman himself, both living and lively, and when this matter is cleared up, and the funeral cancelled for the time being, it is found that the gentleman had come back to life just two days before he had received the crack on the head which had laid him low.

The same writer of novels brings into a story a blind fiddler playing some of the songs of Robert Burns when that poet was five years old. A precocious boy was Robby. (never Bobby)

And Shakespeare in all his glory is full of amusing errors. One person in a play does not believe in ghosts, but almost immediately after saying so he tells ghost stories. Hamlet says that people never come back from the place to which they go when they die, but he had just had a long talk with his own parent, who had come back from Purgatory for this very purpose. Shakespeare makes many blunders of the kind which a modern writer would commit if he wrote that Queen Elizabeth had called her chauffeur and gone for a drive in a Ford, or Dodge, or Rolls Royce, motor car. For example, he puts a pair of spectacles on a man's nose, nearly two thousand years before spectacles were invented. He shoots off guns many centuries before gunpowder was made. He sends some young men to a school hundreds of years before the session opened. And so on.

Mark Twain once wrote a pretty paragraph full of errors just to see how many people would notice them. But Mark made many blunders of his own. He uses finger-printing in a trial long before this method of keeping track of people was in use. And when he wrote about his travels in the Holy Land, he wallows in blunders. He tells about the prophet who was carried in a fiery chariot to Heaven, but he sent the wrong prophet on this sky-ward ride. He mixes up the two Josephs of the New Testament; and when he brings into his book the sick lady who was cured with a touch of the hem of a sacred garment, he cures the wrong lady, a lady indeed who was not sick at all. So Mark can go to the bottom of the class until he learns his lesson better.

Wordsworth says that the cuckoo sings a very lovely song, whereas the well-known English bird has a note which is almost exactly imitated by any cuckoo-clock on the parlour mantel. Keats makes the wrong Spanish explorer discover the Pacific Ocean. Shelley launches one of his heroes on a voyage in a leaky row-boat which he finds on the shore, with a bare pole for an improvised mast, and only his own coat for a sail. And in this marvellous vessel the land-lubber

THE GRIMSBY INDEPENDENT

turned senan sails over tempestuous oceans, throughwhirl-pools, wherever he wishes to go.

Charles Dickens wrote in one of his glorious books about people travelling in England when there were only stage coaches and wagons for such journeys but presently two of his characters take a trip to the United States, and there they find awaiting them an elaborate system of railway trains which takes them from Boston and New York far into the interior of that vast country.

Charlotte Bronte says that Jane Eyre rose at four o'clock in the morning, and having no other light she dressed by the light of a half moon just setting. Watch the next full moon to see if Charlotte was correct.

An American novelist once brought into his story of the wild west "A Black Durham Bull!" Novelists must some time be colour blind.

But more anon!

Letters to the Editor

Winona, Ontario

May 27, 1946.

A THANKFUL MOTHER

Dear Sir,

I am a firm believer in giving praise where it is due.

Therefore, I would like, through the medium of your paper to offer a sincere word of thanks, both to those who conceived the idea of the West Lincoln Memorial Hospital and those who have worked so hard to make it such a success.

I had cause to go there at the end of April for the birth of my baby. I had not been inside before and to say that I was pleasantly surprised, is putting it mildly.

Everything is so modern and comfortable, the meals very appetizing and daintily served and the nurses so very pleasant, nothing seems too much trouble for them to secure the comfort of their patients.

I have never been in such a lovely hospital before and I enjoyed my stay so much that I cannot speak too highly of everyone connected with it, from the very genial director, down to the girls in the kitchen, who bring the trays with a smile.

I think it is a very fitting memorial to our brave men and worthy of the support of the whole community.

Mrs. Carl Gilroy.

THE LITTLE THINGS

It's little things that count the most:

Fresh milk in bottles clean,

A home where lowly people live;

An old back yard where willows lean

Across the fence, where trees of birch

Are white as pillars in a church.

It's little things that count the most:

A swallow's nest high in a mow;

A home-made swing that someone tied

Beneath a low-hung apple bough;

A tiny brook where speckled trout

Dart like small U-boats all about;

A little seed-husk frail as mist;

The purple drift of heliotrope,

Rail fences hedging in a field,

A pasture where old cattle grope

Among the scanty tufts of weeds

Barely enough to fill their needs;

A farmer with a pair of eggs

Bringing them to a country store,

Where all the neighbors come to deal;

A tinkling bell above the door,

Where peppermint and gum-drops vie

To catch the little children's eye.

A farm . . . a hill . . . a painted shed,

A squeaky windlass on a well,

A woman hanging out the wash,

All these are one, and somehow tell

A story rich in plot and plan

And varied as the thoughts of man

That mirror reflection shine on Chief Turner's shoes.

A cake of ice sitting on a veranda post on the Village Inn veranda.

Lake Inglehart, in front of Baker's store, was at flood tide on Saturday.

High School Cadets and bugle band on parade. They made a fine appearance.

Councillor A. C. Price busily engaged in compiling a history of the Bell Telephone in Grimsby.

A notice posted on the Legion sign board in front of Clattenburg's barber shop was signed "Sergt-in-Clattenburg's Barber Shop." Whose arms was the Sergt. in?

Dressing up Paton street—They do say that Ralph Shuerst has the finest garden that has ever been produced on that thoroughfare. Are you reading, "Red"?

THE HANDY MAN

Hank Boggs is not the mayor nor the marshall of our town,

He's not a judge nor banker nor big merchant like Jud Brown,

Neither is he a lawyer like Attorney Holden Briggs, Nor is he rich in stocks and bonds like Hiram Judson Higgs,

He doesn't make loans like Rufe Banks, nor foreclose mortgages,

Yet there is not a man in town important as Hank is.

If Widow Banks should want a load of ashes hauled away,

Or Hiram Barnes requires a man to come and stack his hay,

If the directors want a coat of tar put on the bank, Or Joe Burges needs his henhouse built, they send right out for Hank.

Hank is called in if Grandma Dobson's drainpipes are plugged up,

Or if Jim Cook should want a house built for his colic pup,

Or if the Morgans' lights go off, or if Josiah Ely Wants shoes tacked on his milk cart horse, or if

Aunt Minnie Nye Desires to have her roof repaired, or if Mark Holliday Should drop his specs down in his well, or if Amanda Gray

Should want her kitchen papered, or if Charlie Odenbaugh Requires someone to trim his hair or sharpen up his saw.

The mayor we could do without, the marshals, too,

I guess, We wouldn't miss our lawyer, nor most any business, We wouldn't miss our rich folks or the cashier of the bank—

But, what on earth, I wonder would we do without our Hank?

(By Bones Livingston, Sportologist)

BREEZES FROM THE HILL TOP—Softball is back in the sport glare. Everybody in the district knows it except 'THE HERMIT OF WINONA'. About 1946 he will be down to tell me about it. In the meantime the FRUIT BELT league is going along in smart fashion. LEGION team that represents Grimsby topping the works. At that they are not such smart aggregation when they let a 16-year-old kid serving up the slants beat the ears off them for nine innings, and, only when the youngster's wing weakened in the 10th were they able to connect safely enough to beat him. That is the story of your Monday night game between the LEGION and the GRIMSBY MOUNTAINEERS. For nine full stanzas young ANGUS LAWSON, on the mound for the MOUNTIES made the LEGION gang look like a lot of palookas. Then, naturally, the kid weakened and of course the Vets brought the big guns into play, and won the game. Not too much credit to the LEGION outfit, but a lot of credit to the boys from the hill-top. . . . In the meantime what has become of the press agents of the other teams in the league. This paper cannot publish facts and figures out of thin air. If you want publicity come in and tell us about it. . . . FASHION NOTE—OLD TOM WARNER has a new uniform. Wait till you see it. . . . Now that the league games at THE BOWL-AWAY are all finished the individual players are getting a big chance and they are certainly taking advantage of the opportunity. In the last two weeks War Stamps were won by Vicki Metcalfe with 298 and Ernie Buckenham with 299. If he had done that when the GAS HOUSE was in distress. Josephine Kanski came right back with a 252 to get some more savings as did Freddy Sims with 300. . . . There is trouble in the GAS HOUSE camp. DOUG HARTNETT, the effervescent, secretarial brain of the GAS HOUSE GANG has refused to give GAS RAHN his share of the winnings. He takes the stand that if RAHN cannot take care of cash any better than he took care of the championship when he had it in his hip pocket, then he is not entitled to have over six cents in his jeans at one time. Watch what happens wth the GAS HOUSE outfit before long. It will be a good story when it is told. . . . LITTLE TWO-by-FOUR figures to close THE BOWL-AWAY on Saturday night, June 22nd. Then Heaven help the fish in Northern Ontario. He is accumulating enough fishing tackle to corral all the finny tribe that ever existed. But we will still continue to eat hamburger. Incidentally, how many gallons of paint do you think would be necessary to paint an ordinary sized row boat? Bet it leaks anyway.

Lawn Bowling

Despite a stiff cool breeze, hardly the type of weather connected with the first day of June, some sixteen entries from St. Catharines, Niagara Falls, N.Y., Dunnville, Thorold, Vineland and Beamsville, bowled away in a trebles tournament on Saturday afternoon on the keen Beamsville greens.

Starting at 2.30, the tournament was broken off at six for a delicious hot supper served by the ladies of the Club. At the completion of bowling at 7.30 the following winners were declared:

Niagara Falls, N.Y., Hyde Park Club, T. Lynn, Skip 1st.
Dunnville, E. D. Kelly, 2nd.
St. Catharines, Grace Club, J. Shearer, Skip, 3rd.
Thorold, B. Whyte, Skip, 4th.

Monday Nite Jitney

The weekly Monday night jitney held on the greens was attended by thirty eight enthusiastic bowlers, and following some keen competition, the following were declared winners.

Ladies — Mrs. C. Peterson, Grimsby.
Mrs. H. N. Reid—Beamsville.
Mrs. L. Morrison, Grimsby.
Gents—Reg. Morrow, Grimsby.
Frank Hurst, Grimsby.
H. H. Tufford, Beamsville.

Coming Events

This Friday, June 7th, there will be an open ladies' jitney on the Beamsville greens, and all bowlers are invited to attend.

Frightening Fish

A fish fence is among recently announced inventions. It consists of one or more rows of metal electrodes—rods or strips—in the water. Electrical impulses sent through them set up an electric "field" which gives the fish an effective but harmless shock and sends them scurrying away.

These "fences" can be used to keep the small fry away from the larger fish that would eat them, or to prevent fish from being destroyed in the water intakes of irrigation projects, hydroelectric plants and industrial works.

shower.

Mrs. June Shepherd, who is to be married on June 15th, was the guest of honour at a shower given at the home of Mrs. Allen Purdy. Under a shower of good wishes falling from a gaily decorated watering can, the bride-to-be received many pretty and useful gifts which were confined in a fire-protected hamper. The evening was spent in playing games and a dainty lunch brought the festivities to a close.

The hostess was assisted by Mrs. Geo. Prudhomme.

At the monthly meeting of The Home Helpers of St. Andrew's Presbyterian Church, held at the home of Mrs. Geo. Prudhomme on Tuesday evening, a Going-Away gift was presented by the members to Miss Jessie Stewart, English teacher at Beamsville High School.

The type of picture somebody will drag out, say fifty years from now, and everybody will have a crack at naming this great outfit.

Somebody slipped in the last paper salvage drive held in the last town and townships, residents of the Upper Thirty got the go-by. A reliable informant tells us that numerous bundles of paper were placed beside the road, but were never picked up. Attention, Mr. Warner.

The Charter will be received in another week, stated Roy A. Saunders, Chairman of the Committee. Farmerettes arrive in ten days, wonder who's going to benefit the most—farmers or local wolves.

BEAMSVILLE
NEWS

On Tuesday evening a group of friends entertained at the home of Mrs. L. MacGregor, King Street, for Miss Bertie Wilcox, whose marriage will take place June 11th. A flower-decked dinner wagon with a hamper full of gifts was presented to Miss Wilcox with the good wishes of the guests, about fifty being present. Co-hostesses were Mrs. Richard Miln and Mrs. Harry Reid.

Miss Wilcox was honoured again on Wednesday evening at the home of Mrs. John Joy, when the Beginners Class of Trinity United Sunday School, of which she is the teacher, gave her a miscellaneous sweet as ever.

Speaking of the band, they really shone on Sunday, and it would be a great thing if every practice session was as well attended. Following the parade, the boys perched themselves on the steps of good old B.H.S. and "watched the birds". It occurred to me that this is

Engagement

Ralph and Mrs. Metcalfe attended the Johnston-Merritt nuptials in Hamilton on Saturday.

Brig. (Dr.) Gordon and Mrs. Sinclair of Toronto were weekend guests at The Village Inn.

Wm. and Mrs. MacFarlane, Sr., for many years residents of Grimsby, have moved to Campden to reside.

Mr. and Mrs. E. Hyland and son Ronald spent the weekend with Mr. and Mrs. L. G. MacBride, Adelaide Street.

Bertram Webster's Kerman Ave. house is being painted again this spring. The work is being done by Hayward and Son.

Mrs. Clarence W. Lewis who was operated upon in Hamilton hospital two weeks ago has sufficiently recovered to be able to return home.

Trinity Service Club are holding a June Tea at the home of Mrs. H. W. Powell, Kerman Avenue on the afternoon of Friday, June 14th.

Mr. and Mrs. W. N. Murray and son Billy and Mrs. Hoffman, all of Chicago, spent the weekend at the Hermitage with Mrs. M. A. Randell.

Harold and Bruce Swayze of Albany, N.Y. were weekend visitors with their parents, Andrew and Mrs. Swayze, Robinson street north.

Harry Tregaskes left for Chatham this week to take over his new duties as Assistant Division Engineer of the Chatham Division of the Ontario Dept. of Highways.

Theatre Guild of St. Catharines, will present a playlet in Trinity Hall, on the evening of Friday, June 14th, under the auspices of Lincoln Loyalist Chapter, I.O.D.E. War Memorial Fund.

Mr. and Mrs. Mark Graham of Montgomery, Ill. and the former's brother G. E. Graham of Milwaukee visited their uncle and aunt Mr. and Mrs. J. J. Graham, John St., last weekend.

Norman and Mrs. Stewart of Los Angeles, Cal., were weekend guests with E. Bruce and Mrs. Murdoch. They were former residents of Grimsby when Mr. Stewart was employed on the mechanical staff of The Independent about 20 years ago.

Little Miss Charlotte Hillier while playing on a swing at the home of her parents Robert and Mrs. Hillier, Elizabeth street on Monday evening had the misfortune to have an accident that necessitated her removal to Hamilton general hospital where she is now progressing very nicely.

Old Job had patience but we bet he never tried to get some building material for a small job.

An Appreciation

(From The United Church Observer, June 1st, 1946)

REV. ISAAC M. MOYER

The Rev. Isaac M. Moyer first saw life at Campden, Ont., December 26, 1864, and passed to higher service from the home of his daughter, Mrs. Ernest Culp at Vineland Station, Ont., February 8, 1946. He prepared for the work of teaching in Beamsville High School, St. Catharines Collegiate and in Ottawa Normal School. Subsequently he taught with acceptance in Pelham Union and Tintern Schools over a period of nine and one-half years. Thereupon, feeling the urge to become a minister of the Gospel, he entered Victoria College, Toronto, in 1883, having been accepted as a candidate by the Canadian Conference of the Evangelical Church. Entering the active work in 1894, he served at Selkirk, Stratford, Pelham, South Cayuga, and in Toronto. In 1904 he transferred to membership in the Hamilton Conference of the Methodist Church in Session at Dublin Street, Guelph, and was stationed thereafter at Stamford, Lynden, Burgeoynville, Guelph (Paisley Street) Acton, Port Coborne, Hespeler and Winona and Fruiland. Retiring after forty-two years of active ministry, he also served as supply at Fairfield Church, Hamilton, for two years, did work for the Ontario Temperance Federation and acted as a director of the same. He was Chairman of Welland and of Niagara Districts, Secretary of Hamilton Conference, and he represented the Conference on the General Board of Pensions faithfully and efficiently for twelve years. He was married to Miss Nellie Hippie, daughter of Wm. Hippie, Campden, Ont., in 1889, with whom he enjoyed a happy wedded life for forty years. Her companionship was enriched by her lively and sincere interest in his work, lending always her wise counsels and help, and being an exemplary mother and homemaker.

Mrs. Armand Smith, mother of the groom, wore an unusually beautiful costume which consisted of a rose beige crepe gown, trimmed with blue, and matching coat with grey fox fur cuffs. Her large hat of rough blue straw was trimmed with blue ribbons and pink grapes. Pink roses were in her small bouquet.

The bridal pair left by motor for New York and the southern states. Going away, the bride wore a grey wool dressmaker suit, with blouse of grey silver lace. Hat, shoes and purse were of green lizard, and her corsage of gardenias. They will live in Winona.

Births

MILLER—At West Lincoln Memorial Hospital, Thursday, May 30th, to Mr. and Mrs. Robert Miller, Winona, a son, (Larry Robert).

SOUTHWARD—At West Lincoln Memorial Hospital, on Saturday, June 1st, to Marvin and Mrs. Southward, Winona, a son (Larry Marvin).

POOLE—Mr. and Mrs. William Poole (formerly Freda Mason) are happy to announce the birth of their daughter (June Freda), on June 3rd, 1946, at West Lincoln Memorial Hospital.

Cubbing

Last Friday a rainy evening found the pack in doors. Jacky Baisley whose eighth birthday occurred on Friday was welcomed as a new cub. Jacky has been eagerly awaiting the day when he would be old enough to "Run with the Pack."

A knot tying relay showed some of the smaller cubs able to keep up well with their sixes.

A game of net ball provided opportunities for team work and quickness of eye and limb.

On Sunday afternoon the cubs and their leaders witnessed the official opening of the new Beaumont Scout hut, marching in the parade and presenting their colours. The cubs take this opportunity to thank Scout Master A. J. Hayward and his troop for making possible this interesting afternoon and to those who kindly arranged transportation.

Old Job had patience but we bet he never tried to get some building material for a small job.

Nuptials

SMITH—McCULLOCH

Exceptionally wide interest centred in the wedding Saturday, at 3 o'clock in Knox Presbyterian Church, Galt, of Ann Leslie, daughter of Mr. and Mrs. Hugh Leslie McCulloch, Sorn House, Galt, and Mr. Alastair Armstrong Gibson Smith, son of Brigadier and Mrs. Armand Smith, Ravenscraig, Winona. The nuptial ceremony, which united old and prominent families, was conducted by Rev. W. J. Walker, of Galt, in the presence of close to 100 guests, a number of them being from various distant Canadian cities.

Long before the time of the ceremony, very large numbers of interested spectators, all anxious to view the arrival of the beautiful bride and her charming retinue of attendants, took up positions in the streets adjacent to the church. The popularity of the young couple, and the fact that their respective families have taken, for many years, leading parts in the parliamentary, military and business activities of the Dominion, are among the many factors which make their wedding of more than usual interest to countless friends and other well-wishers. The bridegroom, himself a veteran of the war, is a grandson of two senators—the late Senator William Gibson, of Beaumont, and Senator E. D. Smith, of Winona, who recently retired from the Red Chamber after distinguishing service of many years.

A profusion of flowers formed a delightful setting for the bride and her five attendants, all attired in picturesque costumes in dainty pastel shades. Bridal wreath, pink snapdragon, roses and ferns being used for church decoration, creating a Springtime atmosphere. Mr. Ewart Bartley, Galt, played an impressive program of wedding music.

Pink and white blooms adorned the rooms of Sorn House, where the bride's parents held the after-reception in the spacious gardens.

Very lovely in her gown of blushing white satin, the bride was given in marriage by her father. Her dress, a graceful model made with a sweetheart neckline, and long close-fitting sleeves, the bodice having a yoke of exquisite lace, and a long circular train falling from the waist. For a headress, she wore laurel leaves built up with matching lace, caught at the back of her head with orange blossoms. Her veil of palest blushing French tulle was caught here and there with orange blossoms, and her large bouquet was composed of white orchids and stephanotis.

Miss Joan McCulloch, maid of honour, wore a full-skirted gown of peach chiffon, in basque fashion, with an off-the-shoulder neckline, and pale bonnet hat and mittens of the same material as her dress. She carried a large bouquet of Pinocchio roses and other variegated flowers.

The bride's other attendants were Miss Sheila McCulloch, Miss Mollie Clare (Preston), Mrs. Llewellyn Smith (Winona), and Miss Janet Falkner, (St. Catharines). Of flowered, pastel-hued organdy, their dresses were styled like that of the maid of honour, and their hats, of the same material as their frocks, were in pale bonnet mode. They, too, wore mittens, and their colonial nosegays were of Talisman roses and other flowers which tone. Major Llewellyn Smith, Winona, was best man. The ushers were: Mr. David Culver, Montreal; Capt. Roger Conant, Toronto; Mr. Bill

Hatch, Hamilton, and Mr. Thurston Smith, Winona.

At the reception, the bride's mother received wearing a classically simple gown of white crepe, and a smart hat in which were the combined colours of flowering currant, apple green and white. Her bouquet was of Briarcliff roses.

Mrs. Armand Smith, mother of the groom, wore an unusually beautiful costume which consisted of a rose beige crepe gown, trimmed with blue, and matching coat with grey fox fur cuffs. Her large hat of rough blue straw was trimmed with blue ribbons and pink grapes. Pink roses were in her small bouquet.

The bridal pair left by motor for New York and the southern states. Going away, the bride wore a grey wool dressmaker suit, with blouse of grey silver lace. Hat, shoes and purse were of green lizard, and her corsage of gardenias. They will live in Winona.

Fame of Oak Room Is Spreading

Last week was a very heavy one at The Village Inn. The fame of the beautiful Oak Room and the excellent cuisine is spreading far and wide and patronage of this lovely rendezvous is growing rapidly.

Last Wednesday evening the Peach Queen Bowling league held its annual banquet and over 90 sat down to a very fine repast and evening's entertainment when trophies and individual prizes were presented.

On Thursday evening 175 Chrysler salesmen of the Charles Taylor firm of St. Catharines held a dinner meeting.

On Friday evening Miss Lawson of Hamilton entertained at a bridge and dinner for 14.

Two lady High School teachers entertained their bridge club to a dinner and bridge on Friday evening.

Mrs. Fountain of Hamilton entertained her bridge club to dinner on Monday.

On Sunday over 250 dinners were served.

Simile: As full of old junk as the attic.

THE GRIMSBY INDEPENDENT

Welcome To Grimsby

Last meal on shipboard, The Good Queen Mary, that's what little Jimmie Caverhill, the husky, smiling 16-months old son, and beautiful English Bride, Kathleen, are saying to you in this picture as they near the shores of Canada. They are wife and son of W.O. Colin S. Caverhill, R.C.A.F. (R) who arrived in Grimsby on Thursday afternoon last and will reside at 33 St. Andrew's avenue.

Eastern Star

Thieves Steal
Valuable Tools

Some time during the late hours of Monday night and the early hours of Tuesday morning, thieves pried open a window on the south side of Art. Forester's barber shop, on Depot street, entered, and made away with a lot of valuable barber tools.

That they must have known barber tools is proven by the fact that they selected and took away some of Art's very best razors, hand clippers and his electric clipper. They stole what cash was left over change in the cash drawer but overlooked a couple of other receptacles that contained money. They took very little of the bottled tonics.

Chief of Police W. W. Turner investigated and is working on a couple of clues that may prove valuable.

Will Make Survey
Of Street Lights

At a joint meeting of members of the Fire and Light Committee of Town Council and Grimsby Hydro Commission members on Wednesday afternoon, which was attended by officials of the Ontario Hydro Commission, decision was reached regarding changes that will be made in Grimsby street lighting.

A survey of the whole term will be made and where changes can be made advantageous to both the two and the residents they will be carried out.

Many street lights now are not of much value to the pedestrian owing to the fact that they are smothered with the foliage on trees that are adjacent to the light pole. These trees will be trimmed sufficiently to allow the street light to give forth its brightest glow.

No action on any street light will be made until the whole situation is thoroughly surveyed and no undue trimming of trees will be made.

In a ceremony recalling a similar event 103 years ago, the addition to the Churchyard at St. Andrew's will be consecrated by the Bishop of Niagara on Thursday, June 13th, at 7:30 p.m.

It was on June 13th, 1843, that Bishop John Strachan, first Anglican Bishop of Toronto, journeyed over the Lake to Grimsby and set apart the present burying-ground to its sacred purpose. At that time the Rev'd George Gruel was Rector of St. Andrew's.

According to the custom in this case the consecrating Bishop leads the procession along the boundaries of the land to be set apart and solemnly dedicates it for the purpose of the Burial of the Dead.

The present cemetery has served the Church for about 150 years, and it is estimated that the new part will look after the needs of the Parish for at least another 100 years. Lots have been available for purchase for some weeks back and a number of the families of the congregation have already made choice of lots.

Following the out-door ceremony the congregation will proceed to the Church where a large class of candidates will be presented to the Bishop for Confirmation.

Coal Business
Changes Hands

The deal was completed on Monday whereby Niagara Packers Ltd. purchased the fuel business, trucks, machinery and property of the Shafer Fuel Co., operated for the past eight months by Richard Shafer.

This business was purchased last November by Mr. Shafer from the estate of the late John H. Gibson.

In future the business will be carried on under the name of Standard Fuel Co. and will continue the same good service that has been given for the past many years.

Niagara Packers will also continue their regular coal business from their office on Depot street.

BEAMSVILLE NEWS

Scouts On Parade

BEAMSVILLE TROOP DEDICATES NEW BUILDING. SUNDAY LAST

The dedication ceremonies for the new scout building of the 1st Beamsdale Troop of Boy Scouts was held on Sunday afternoon, and over four hundred Scouts, Guides, Cubs and Brownies from Beamsdale and other points throughout the western part of the Niagara Peninsula were in attendance.

This was probably the largest display of Canadian youth that citizens of the district have had the privilege of watching, and the religious ceremony, conducted under a blanket of blue sky on the beautiful June afternoon, will be long remembered by the participants and the large crowd that was in attendance.

The ceremony opened with a parade, which started at the High school and which traversed the central part of the Village, ending at the doorstep of the scout building.

Presenting the building for dedication was Mr. Frank Sutherland of the Group Committee, who in a few well chosen words, outlined the steps that were taken in making this building possible. The property given by the village in 1945, is an ideal spot for scouts activities, and Mr. Sutherland outlined how the Lions Club had given the building a start, and from there on in, industrious citizens of Beamsdale and the Scouts themselves had given both financial aid and actual labor to complete the structure.

In concluding Mr. Sutherland asked that a period of silence be observed in memory of seven Beamsdale boys, who in their youth, had worn the scout uniform, to be exchanged for another one, a uniform in which they lost their lives serving their country. These boys were: Graham Bolton, R.C.A.F.; Arthur Geddes, Army; Harry Hamilton, R.C.A.F.; Tommy Page, Army; John Stallwood, R.C.A.F.; Herbert Wright, R.C.A.F., and Stanley Cotterill, R.C.A.F.

The ceremony was then taken over by Lt.-Col. L. H. Millen, D.S.O., V.D., Provincial Commissioner of the Boy Scout Association, who ordered the breaking out of the Union Jack as the Beamsdale Citizens' Band played the National Anthem. The cutting of the ribbon by Col. Millen, then followed to officially open this new headquarters for the 1st Beamsdale Troop.

The dedication service, a short prayer given by Rev. E. F. Maunsel was followed by a very appropriate scripture lesson, as read by Rev. F. G. Balson. The theme being the story of the man who fell amongst thieves, to be finally given assistance by the Good Samaritan. This story could be part of the Scout promise, which in part reads —To help other people at all times."

The hymn, "Onward, Boy Scouts, Onward," was then sung, followed by a prayer, which was led by Rev. W. C. Almack, who asked that the eyes of everyone be turned on the flag flying above the heads of those assembled. His prayer was most inspiring and contained a great deal of what scouting means to a country such as ours. The hymn "Fight the Good Fight," was then sung and was followed by the introduction of the speaker, Col. Millen.

Col. Millen's Address

With his usual informal style, Col. Millen first congratulated those responsible for the building of the Scout Headquarters, and paid tribute to the Lions, which as a service club, is much more than a luncheon club. He also asked that the prayer given by Rev. Almack be procured and stated that Provincial Headquarters could certainly make use of such a fine message.

His talk then covered the visit of Lady Baden-Powell, who is visiting Canada. Carrying on where her husband left off, Lady Baden-Powell has dedicated her life to the scout and guide movement and the youth of to-day will benefit to a great extent by this lady's efforts. The speaker told of a recent visit of Lady Baden-Powell's to France, Italy and Finland, where scouting has been banned during the war. Even then it still existed in France forty thousand Scouts, Guides, Cubs and Brownies paraded in a vast and inspiring line past her. "Canada with its one hundred thousand scouts and cubs, has still a long way to go, but with ever increasing strides the foundation of fine manhood is being laid in the Dominion, a fact that will assure our nation of a top spot in the future," concluded the speaker.

The presentation of the King's Scout Badge and the Bushman's Thong to Scouts Bill Dawe and Jack Hodges was then made by Col. Millen, who congratulated the two boys for their efforts. The King Scout Badge, is practically the top badge awarded to Scouts, and to earn the distinction to wear

this badge, a boy has completed a series of tests in first aid, signaling, rescue work, and many other tests that guaranteed the holder of a King's Scout badge a high place in everyday living and most important a capable and trained leader for the young boys — the King's Scouts of to-morrow.

Further presentations included the presenting of twenty-three certificates to scouts, from Grimsby, Beamsdale, Winona and Fruitland. These boys successfully passed the Bronze Arrow Course for Patrol Leaders the tests being complete in Beamsdale on Saturday.

The ceremony was concluded with the hymn, "Abide With Me" and the Benediction, given by Dr. L. L. Young.

Baseball

Beamsdale Baseball Club opened their 1946 season with a resounding twelve to three verdict over the St. Joseph's boys from Grimsby in a twilight tilt played in Beamsdale last Thursday night.

Hampered by a week pitching staff, the St. Joseph's outfit, found hits hard to get from Beamsdale's new pitching star Gordon Smoke, who will enable Beamsdale outfit to carry on in a better fashion, giving their best hurler Pete Tallman a rest.

Beamsdale opened up on Gordie Anderson in the first inning, and scored six runs, continued in the second with four more, and a couple more in the third, when Cerrone came in to pitch for Grimsby and held the Beamsdale outfit to two scattered hits.

St. Joe's Jim Henderson banged a four bagger over the right field fence, with one on in the second inning. St. Joseph's third and final run came in the last inning.

Batteries—Beamsdale — Smoke, Tallman and Allen.

Grimsby — Anderson, Brockelbank, Cerrone and Gordon.

Final score—Beamsdale 12 runs, 14 hits, 1 error.

The meeting was concluded with a social half hour.

St. Andrew's W.M.S.

"As long as I am in the world, I am the light of the world," was the theme of the Tuesday evening meeting of the W.M.S. held in the Church Parlor.

Mrs. C. H. Prudhomme led in the opening devotional exercises which include hymns chosen by Mrs. O. M. Beamer, a valued "shut-in" member.

Mrs. David Steven, told the members that a Presbyterian Chaplain, Major John Weir Foote, famed padre of the Royal Hamilton Light Infantry received the Victory Cross won at Dieppe from the King at a private investiture in Buckingham Palace.

Major Foote said the King asked him his military service and enquired particularly about the R.H.L.I. and the Queen's Own Cameron Highlanders of Winnipeg, another Dieppe regiment.

The King was much interested in the fact that the "Riley's" were affiliated with the Somerset Light Infantry, of which he is honorary colonel-in-chief.

A group of W.M.S. members in Ottawa felt especially honoured that it was to them that Major Foote gave his first address after the award of the Victoria Cross to him was announced.

Continuing recent talks on the subject of Africa, the President Mrs. A. C. McArthur told of the missionary work of one of the leaders, Mary Slesser, and emphasized the need of prayer and guidance in all our work.

The meeting was concluded with a social half hour.

Badly Scalded

Paul Konkle, William street, who is employed at Court Radiator plant, St. Catharines, had the misfortune to slip while at work and scalded his leg severely in a vat of boiling water and acid. He was removed to St. Catharines General Hospital, where his condition is reported as satisfactory.

Rip Van Winkle couldn't sleep for 20 years nowadays, as a neighborhood juke box would interfere with his sleep.

Beamsville News**News From
BEAMSVILLE
High School**

By Little (still a mystery) Whozit. A jolly time was had by all who motored to Cedar Bay on Saturday. Since I shouldn't waste space on trivialities, I'll give you only a bit of info. There were fifteen B.H.V.S. kids who visited the fellows at the Bay, and it is really a choice spot. Canoeing seems to be the popular sport, but we really don't think Stricker intended to go paddling by himself. The biggest upset of the day, came when two of the gals got their fill of Lake Erie when their canoe turned submarine.

Two young first formers sipping cokes in the Dairy last Friday night. Take it easy, Gatti, maybe it's these excursions that influence the young kids. Wouldn't doubt it.

A couple ex-students are sporting sweaters, beautifully knitted by fifth form gals. The resemblance is terrific in some cases, Stu. As for myself, I could use one like Jackie's.

Sight-seeing tours are conducted daily by one young Mr. Neal. Natch Silverdale gals, have to learn about the features of the town. Will anything develop over this—the town I mean.

Word has got around that Miss McLaren just adores horseback riding. It's too bad the horse was lame, but on the other hand, a ball game is hardly the place for such goings on affyho!

Another spot has crept into the limelight, this time it's the beautiful Logan's Inn, and the sharp owner's son, Graham. Considerable amounts of snapshots were taken on Sunday afternoon when a couple of B.H.S. gals were present. Horrors—not blackmail. A couple of Grimsby High boys are working down there on weekends, and will work steadily when school is finished.

I do hope that the students who are out on farm leave won't regret the move, if move they can after picking strawberries. Believe me, I agree with "Jock", it's a back-breaking job. Hardly the flowery task the radio commercials for the Farm Service Force make it out to be. Sunshine, blue skies and all that stuff.

Does June 7th mean anything to four B.H.V.S. gals. Hope they motor up pretty soon.

Our congratulations to Jack Hodges and Bill Dawe, who were presented with their Kings Scout badges and Bushman's Thongs at the dedication ceremonies Sunday afternoon.

Look them over.**"Honey" Shelton**Next Door to Dymond's Drug
Store**Clinton Township
Council Quiet**

With Councillor Carmon Cosby confined to Hamilton General Hospital and Clerk George Tinlin visiting in Texas, the June session of Clinton Township Council was strictly a routine affair, with very little business being transacted.

Probably the main feature of the meeting, was the auditor's report for 1945, as submitted by Township Auditor Stewart Joscelyn. His report was received by Council, and will probably be made public at a later date.

Correspondence read by acting clerk Will Boughner included answers from tenders with regard to a power mower, and also a horse drawn mower, which the Township needs urgently.

Councillor Frank Warner, went on record as stating that it might be an idea to hire the weeds cut, for apparently delivery of any type of mower will be at such a time that it would be useless as far as this season's crop of weeds go.

No word has been received from the firm selling shovels, which the Township is trying to procure for

work in the quarry and other Township work.

The only mention of the proposed flasher signal system for the Beamsville crossing, was when the minutes of the May meeting were read.

About the cheapest thing on the market today is human life.

LARGE ATTENDANCE
The noonday prayer and Memorial Service was taken by Mrs. W. J. McMillan and Mrs. James Nelson. Five candles were used in memory of members who had passed on, and Mrs. McMillan spoke of the great work of Mrs. Byron Smith who for years was the Superintendent of Alexandra Hall, and a devoted member of the W.C.T.U. and also Mrs. D. C. Hetherington, another outstanding worker and Trustee of the Hall from its inception and the other devoted members who had passed on. At noon a box lunch was held. The ladies of Grimsby serving tea.

After devotions were taken by Mrs. H. G. Scott, Faith was the

subject. Mrs. E. Astle taking the prayer. The outstanding events of the afternoon were the guest speaker, Miss A. Duff of Toronto, who told of her work in the new national headquarters. She told of the many calls for help she received from day to day. Mrs. T. H. Greenway of Hamilton gave a very inspiring sermon, and installed the new officers, they are as follows: honorary president, Mrs. M. Crooker, Allenburg; Past President, Mrs. H. G. Scott, St. Catharines, the new county president; Mrs. James Nelson, Merriton, first vice; Mrs. W. J. McMillan, St. Catharines, second vice; Mr. G. Gott, Merriton, secretary; Mrs. E. Astle, St. Catharines, receiving secretary; Mrs. S. H. Culp, Vineland, treasurer; Miss A. F. Jordan.

Mrs. M. Crooker introduced the new President, Mrs. J. Nelson, who was given the white ribbon salute. Mrs. H. Mason was presented with a life-membership pin by Mrs. F. W. Ambrose of Hamilton, who also presented the banner to Grimsby, the outstanding union for the year.

The resolutions were presented by Mrs. F. D. Aikens. A delightful supper was served by the Service Club of Trinity United Church. The evening meeting was held in the Baptist Church. Devotions were taken by Rev. W. J. Watt, the music being provided by a junior choir under the direction of Gordon Eaton, and proved very delightful.

A happy event took place, when Mrs. M. Crooker and Mrs. J. Nelson presented Miss Rosaline Duff with a lovely sterling dress pin from the members of Lincoln County. The guest speaker of the evening was Dr. Ted Little of Toronto who referred to the advertisements the liquor goods use and said legitimate materials do not need that kind of adu face. He told his hearers in this the facts, and asked what industry drink business doing to Cibb. Didn't let anyone tell you R. He spoke of 1800 divorces sing a beginning of the year. Liquor of futility not a utility. He said in drinkers and drunks be cockpit. intoxicationists. You can't have. Dr. tall bars and highway safe. Number 136 and of the way liquor rushed through. He predicted sales will go up. The about interests challenge the God will. He told his hearers to stand to our work, then pray that if the send young leaders to teach liquor education.

BREVITIES

EVENTS and TOPICS of the WEEK in TABLOID

Township council meets Saturday afternoon.

Town council meets next Wednesday night.

Next Monday has been officially set as the King's Birthday.

Provincial Constable Teddy Hops is away on three weeks holi-

days.

Johnny Tenant is back to his first love. He has accepted a position in Johnson's hardware.

Provincial Constable Ernie Hart of the Caistor detachment is on strike duty on the Welland Canal.

Benny Salsy, R.R. No. 1, Smithville, appeared in Magistrate camp-ville, court on Friday and was fined \$150 and costs for breach of the Liquor Control Act, and his premises were declared a public place. P.C. Wm. Gillings had the case in charge.

He very definitely recommended adequate home environment, de-precated pampered children and re-jected offspring as tending to fill public institutions and jails and prisons. Adequate wages for sup-port of families, a co-operative surveillance of children in the home and recreational facilities for the young and vocational training for the adolescents were recounted as absolute essentials to aid in future family welfare and uplift.

Some time during Tuesday night and Wednesday morning, thieves with more ideas of monetary values than labor values, stole from the rear of the Post Office a perfectly good lawn mower, some shovels and a rake. Caretaker George Warner would be very pleased if anybody could give him a clue as to who the culprits are.

Building Permits

Aided by partial lifting of war-time building restrictions and a gradual increase in availability of materials, St. Catharines' building activities have shown an upswing during the first five months of 1946 which is believed to be close to a record.

During May, 63 building permits were issued in the city, amounting to a total value of \$146,490. Last month's figure brings the five month total from January 1 up to \$1,002,165. During May, 1945, 37 building permits were issued to a value of \$75,530, with a total of \$406,825 for the first five months.

Included in the total for last month were 19 permits for dwellings, amounting in value to \$95,600, it was announced.

S. Bain, Grimsby, \$100; H. Hoffer, Jordan Station, \$122; A. Hochevar, R.R. 1, \$67; John Burch, R.R. 1, \$40; Leo Makse, R.R. 3, \$40; Mrs. W. Kirkpatrick, R.R. 1, \$75.

**Newspapers Boost
Their Prices**

Newspaper prices took a general upswing in Ontario Monday. Ten papers have announced increases effective at the first of the week, bringing to 19 the number of Ontario papers and to 22 the number in Canada to increase prices in little more than a month.

The increases will leave the province with 12 papers selling at three cents a copy. Thirteen sell at four cents and seven at five cents. The two-cent paper which was familiar for years has almost completely vanished. The only paper

left in Canada selling at two cents a single copy is The Charlottetown Guardian.

Breathes there a girl with soul so dead who never has painted her toenails red.

You can't judge a book by its cover, or a Hollywood movie by the same name of the book.
